what is touhou

Touhou Project, referred to as Touhou, also known as Touhou Project, is a series of fan works produced by Shanghai Alice Fantasy Orchestra, one of the three major fan game societies in Japan. The series is mainly based on barrage shooting games, but also includes music, comics, novels, setting collections and other works. Most of the programming, screenwriting, painting and composing work for the Touhou series of games is performed by ZUN, the only member of the Shanghai Alice Fantasy Band.

At the same time, Touhou Project is also the largest fandom area in the world. It has fan music, fan comics, handwriting, fan novels, fan movies, scripts, fan games, cos movies, shadow movies, radio dramas, fan websites, audio novels, There are more than 89.4 million works including dramas and stage plays, with the number growing rapidly every day.

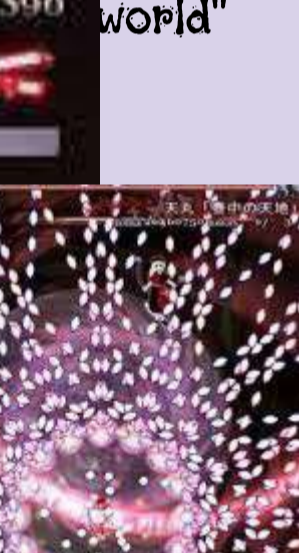

The above selections are works that made me cry.

In October 2010, the Touhou Project series was certified by Guinness World Records as "the most produced fan shooting game. The author ZUN has almost completed the production of all series of games alone, with only the fighting games "Touhou Dreams" and "Touhou Scary Fantasy" "Heaven", "Eastern Non-thinking Heaven", "Eastern Heart Qilou", "Eastern Deep Secret Record", "Eastern Ping Yihua" and "Eastern Gangyu Weiwen" were completed in cooperation with Twilight Border. In addition, "Oriental Flower" The ending CG of "Eizuka" was drawn by alphas, and the vertical paintings in "Fairy War" were drawn by Hirasaka Makoto, the artist of "Touhou March Spirit"[8]. The cards in "Dragon Cave" were drawn by ZUN's wife Ki-san. So far, Touhou has 39 official games.

At the same time, it was also rated as "the most difficult game in the world"

All in all, please like the other person's project !
